MEMBER CONSENT

Respecting your personal information is an important part of our commitment to you. We will comply with legal or regulatory requirements including Canadian Anti-Spam Legislation (CASL).

When you register to become a member of the HCC, you give us permission to use, keep and disclose personal information that we collect from you, as well as any additional personal information that you may provide or may have already provided to us. The information consists of name, gender, birth year, official language, postal code, primary and alternate phone numbers and email address. The information will not be used for, or disclosed for other purposes, unless permitted the Personal Information Protection and Electronic Documents Act (PIPEDA). We will only use your personal information:

1. To carry out our business activities, like answering your questions, processing your registration, arranging for payment, confirming your identity, maintaining accounting records, etc.
2. To send you notices by varying types of media (including e-mail, text, phone calls) about our services and upcoming events.
3. To provide Curl Manitoba with personal information to be used for satisfying annual government and partner demographic reporting requirements, determining eligibility for competitions and determining programs.
4. To provide contact information to Club members in the form of a roster (electronic or paper), so that teams can efficiently contact each other in the case of defaulting or rescheduling games. Your contact information will not be posted on our website nor on social media.
